Pointers Baseball Champs Honored

Point Loma high school's champion 1947 baseball squad, 15 members in all, were signally rewarded at a banquet given in their honor at the Cuyamaca club Monday evening. Hosts were those two rabid Point Loma High fans and boosters, Harry Herz and Judge Gordon Thompson.

For the champs the two highlights of the evening were the sumptuous turkey dinner and the presentation to them by Coach Don Clarkson and Principal L. L. Bloomenshine of miniature gold baseballs. The 15 so honored were: Paul Kaneyuki, Joe Medina, Yoto Takeshita, John Brown, Kenny Lyons, John Silveria, Gene Roberts, Phil Adams, Bob Cornell, Joe Henning, Arnie Strauss, Joe Correia, Don Larson, Don Blackman and Johnny Gomez.

Chairman Herz suggested that steps be taken to form a Point Loma high school club of the lettermen of all the athletic teams. Main speaker was Manager "Rip" Collins of the Padres, who emphasized to the players, "Take care of your bodies while you are growing, live clean and play hard." He also said he would like to see "you boys each try out for more than one position on a baseball team."

Other speakers called on were Judge Thompson, President Bill Starr of the Padres, Sportswriters Stanley Bjorns and George Herick, Principal L. L. Bloomenshine, Vice Principal R. D. Williams, Lee Conti, Coach Clarkson and F. F. Swan.

Record-Breaking San Diego County Fair Opens Doors

San Diego County fair opened with a premiere opening last night, (Thursday) reports Paul T. Mannen, president of the 22nd District Agricultural association. First showings of the Shrine Circus and the "Fiestacare"—two of the fair's top attractions were staged. Exhibits, the midway and other standouts were open for inaugural night visitors. The fair got under full swing this (Friday) morning and will run for 10 days and nights ending July 6.

Appropriate opening ceremonies, with "Don Diego" and the Al Bahr Shrine band, were held to officially turn on the lights at the gala festival at 6 p.m. last night. Lieut. Gov. Goodwin was the main speaker.

Fair officials anticipate crowds of more than 150,000 for the 11 nights and 10 days of the show.

With "Outdoor Life" the theme of this year's event, the accent is on recreational exhibits. (Continued on Page Six)

Paul A. Lesses Jr., son of Col. and Mrs. Paul A. Lesses of 4414 Newport Ave., graduated second in his class at Carlsbad Military Academy last week. The young man plans to attend the University of Colorado at Boulder, Colo. the coming year.

MERCHANTS TEAM WILL PLAY AT AJO, ARIZONA, LOSE TO CAMPBELL NINE

The Ocean Beach Merchants, playing in the speediest softball AAA league in the city, are still to hit their victory stride in the "just-started" regular season, but you take the Padres, they have their troubles, too, in trying to trounce other teams. Manager Bill Homik reports that after leading the potent Campbell Machines nine for five innings Monday night, "the local team cracked wide open at the seams and wound up on the short end of a 6-1 score." Four Ocean Beach errors helped the winners to cash in on a measly four-hit game, while the Beachites garnered five safe blows.

"Our team leaves San Diego Friday night," says Homik, "for Ajo, Ariz., Radovich's former home town, where we take on the Ajo All-Stars, Saturday night, in what promises to be a close game." "The local rooters are increasing in numbers and to date have seen some fine baseball."

Ex-Mayor Points Out Weakness In U. S. Foreign Policy

Judge Harry C. Clark, a former mayor of San Diego, speaking before Tuesday's meeting of the Kiwanis club, pointed out what he declared to be the main weaknesses of our U. S. foreign policy. He said "we can muddle through our internal problems, but unless we solve our foreign affairs problem our nation is in for a lot of trouble."

"Our people should be told what we are taking on in our latest commitment of a half billion dollars aid to Greece and Turkey," he said. "As it stands now there is not a country in Europe but wants the U. S. to step in and save their economy. Perhaps the worst weakness of our present foreign policy in Europe is that we are promising those countries everything and making such heavy commitments that we are seriously endangering our own economy. We cannot stem inflation by recklessly shipping out needed goods from this country."

The speaker blamed much of the weaknesses of our foreign policy on what he called the too rapid turn-over of the head man for our state department in Washington, except in the case of Cordell Hull. The latter was left in far too long, he intimated. Also our recent presidents have been using poor judgment in their selections of the best men available for secretary of state, he pointed out.

All of which means that the rank and file of the voters of this country are making a serious mistake to "leave all the questions to the higher ups of our government," he concluded.

Program chairman for the evening was Thomas D. Marks.

Mrs. Wayne Maupin of 4636 Narragansett is momentarily expecting the return of her husband, Chief Machinist Wayne Maupin, who is due to arrive on the U.S.S. Pickaway July 2. The ship and her crew have been serving in China.

C. C. To Discuss Beach Facilities At July Meeting

DIRECTORS ALSO PLAN TO ASK AUDIENCE FOR VOTE ON PARKING QUESTION

Ocean Beach Chamber of Commerce directors decided Tuesday evening, at their June meeting, to make a special effort to see what can be done this season to provide bath houses and rest rooms for those using the local beach. A special committee, consisting of Milton Lancaster, Harry Masters and Dick Hillmen, was named to tackle the job and confer with the proper city officials and see what practical means can be used to bring about much needed accommodations for those using the local beach this year.

The directors decided that beach improvement along the lines mentioned would be the main topic for discussion at the July general membership meeting. This meeting will be held at the Woman's clubhouse on Monday evening, July 7. Leading off the discussion will be the special committee with the report of their findings.

Parking Problems To Come Up

Other main topic for consideration, the directors decided, would be the question of parallel vs. diagonal parking of cars on Newport Ave. One director had been informed by a city official that the city is ready to go ahead soon to mark the Newport Ave. The city officials favor parallel parking though a recent survey of the business men on Newport showed the diagonal plan in the lead on the vote taken. The directors, however, would like very much to find out what the Ocean Beach customers of Newport business district think about the matter. Accordingly, they are asked to attend the July meeting, whether members of the Chamber of Commerce or not, and be prepared to vote when a "show of hands" is called for.

The "Fair Weather," the 62-ft. yawl owned by Fred Allen, 4871 Newport, will be one of the several west coast yachts competing in the trans-Pacific race from San Pedro to Honolulu July 4. She is scheduled to leave today, Friday, for Catalina, where her crew plans to sniff out the breeze for the all-important start which will be from San Pedro July 4. Nine members will make up her crew, including Skipper Allen and his wife Frances, Ed Shea, Kermit Seely, Fred Sime, Ed Bailey, and Sidney Ford Jr.

Indications are that the "Fair Weather" will provide stiff competition for the other racers, for her record shows a win in the San Francisco-San Pedro race of 1946, and a second place in the San Pedro-San Diego race.

At the race's conclusion, the Allens plan to sail her back to Acapulco, Mexico. During the war the boat was laid up in Fla., after being offered for patrol duty and found unsuitable for the comparatively shallow Florida waters, due to her deep keel, which was chosen expressly for the deeper waters of San Francisco Bay.

Ocean Beach Girl Injured When Path Caves In Tuesday

Melissa Ann Charles of 4774 Brighton, a student in the ninth grade at Dana Junior high school, is being treated for a fractured left shoulder, the result of a 10-foot fall from the cliff at Santa Cruz Ave. and Ocean Front Tuesday afternoon.

Walking along the cliffs with two girl friends, Jackie Dillinger and Ann O'Brien both of Loma Portal, Miss Charles, 14, was suddenly dropped to the beach below the foot of Santa Cruz Ave. when the sandy path on which she walked gave way. Her two young friends, cool-headed in the accident, quickly arranged for one to stay with their injured comrade, the other to call the police.

On his arrival at the scene, the as yet anonymous patrolman and two (also unnamed) police ambulance drivers, briefly examined the youngster and prepared to send her to the San Diego County hospital. By that time her mother, Mrs. Walter D. Charles, had been notified of the accident, however, and directed police to send her instead to Mercy hospital, where she was under the care of two family physicians, Drs. V. Erlanger and Paul Simon. They diagnosed and treated for a fracture of the left shoulder. She is currently at home suffering from the fracture and also from mild shock.

FIVE POUND RADISH AND 8-POUND TURNIP GROWN IN LAURENTS' GARDEN

Mr. and Mrs. J. P. Laurent may be the innocent instigators of a move to make Ocean Beach the radish capital of the world. The Laurents, prudently raising vegetables on the 35'x60' yard at their home, 2069 Sunset Cliffs, unwittingly produced a five pound radish and an eight pound turnip. They have as yet made no plans for the jumbo vegetables, beyond a shyly proud willingness to show them to people.

Ocean Beach Girl Competes In Beauty Contest On June 23

Wilma (Billie) Johnson of the Dr. M. E. Herrington office staff was the representative beauty from Ocean Beach who competed June 23 in the San Diego County Fair's "Fairness of the Fair" beauty contest. She did not win, but she made a commendable showing for Ocean Beach. She was sponsored here by the Market Basket.

A budding stage career has opened up for vicarious, dark-haired Claire LeRoy of North Park, winner of the competition. Miss LeRoy won more than \$1000 in merchandise and a contract to appear in the "Fiestacade," which was one of the stellar attractions opening the big county fair Thursday night at Del Mar.

The 20-year-old North Park lass was chosen the "fairest" of the 21 San Diego county beauties in the finals staged at the Fox theatre. Judges selected Miss LeRoy for her beauty, poise, charm and grace.

EVENING ADULT SPANISH CLASSES END WITH PARTY

The adult class in beginning Spanish, taught by Mrs. Cecelia Cardozo of Dana Jr. high school disbanded for the summer June 19 with a final reunion at the Plumas Park home of its teacher. The class has been meeting one evening a week since the beginning of the school year in September, at the Ocean Beach grammar school.

The group of approximately 17 students were entertained by instructor in her home, and expressed appreciation for the opportunity for study, and their wish to continue in the fall, progressing to intermediate Spanish.

With 17 boys definitely entered and likely three more 11th hour entries, the big Crackerbox derby event sponsored by Kiwanis club, is all set for Sunday afternoon. A huge crowd is expected.

The race starts at 1:30 p.m. sharp, but all the contestants who have not yet had their cars checked are asked to be at the race course down Newport Ave. hill by 10 a.m. and those who already had their cars approved are asked to be there by 11:30 a.m., Bill Morlin of the Kiwanis committee announced Thursday.

The Newport Ave. down hill course, running about 1200 feet from Froude to the finish line about midway between Ebers and Sunset Cliffs Blvd., is being smoothed by the city street department.

About \$300 in prizes are offered including a bronze plaque as the grand prize and bicycles for first in each of the two classes, the two groups being older boys and younger boys. Second prize in each group will be a wrist watch and third prize a table model radio.

Each boy qualifying will be awarded a de luxe miniature model Indianapolis racing car. The 17 youths entered up to the time of going to press, and their ages, Morlin announces as follows:

Lessing 15.

Trucks will be used this time to take the winner in each race up the hill to the starting point, thereby speeding up the meet and also to avoid tiring the contestants.

The street will be blocked off from traffic and the officers will assist in handling the crowd, the committee reports.

LEARN TO SWIM PROGRAM OPENS AT MISSION BEACH

Through the cooperation of the American Red Cross and the City Recreation department, a "Learn to Swim" program has been set up at the Mission Beach plunge for youngsters from 10 to 12 inclusive. Tony Mitchell, water safety instructor, has charge of the activities and altogether there are five water-safety instructors on hand to teach the boys and girls how to take care of themselves in the water. The program opened June 23 and will continue through July 3. No fees are being charged, but the kids must supply their own bathing suits and towels and girls are required to wear bathing caps.

Mr. and Mrs. Wm. Blackwell of 4720 Lotus St. celebrated their 42nd wedding anniversary today (Friday). Delivery of a new electric refrigerator, the couple's first, marked the day.

MEET YOUR OCEAN BEACH NEIGHBORS

The Ocean Beach neighbor spotlight swings this week to Rev. Paul C. Biesemeyer, who was recently re-appointed to the pulpit of the Point Loma Methodist church for another year.

Paul was born on March 9, 1912 in Los Angeles. He attended the public schools in Hollywood, graduating from Hollywood high school in 1929. Following graduation, Paul worked for two years in the plant department of the Los Angeles plant of the Southern California Telephone Co. A year for more education led Paul to enroll in Pomona College, from which he graduated in 1935 with the degree of bachelor of arts. He then decided to enter the ministry and enrolled in the school of theology at Boston University. At the end of a three-year course he received the degree of bachelor of divinity and was ordained.

Rev. Biesemeyer's first pastorate was at the Methodist church in San Jacinto, where he remained for three years. After another five years, spent at the church in Indio, he was rewarded for work well done by a promotion to the pulpit at the Point Loma church in Ocean Beach. Coming here in July 1946, Paul has become convinced that "this is the place."

Paul lists swimming as his favorite sport and reports have it that the reverend can be frequently

observed riding the waves on the local beach along about noon on sunny days (not that there are ever any other kind of days). He also spends many hours in his study at the church, reading and attending to the many administrative duties connected with his pastorate. Tuesday evenings find him attending the Ocean Beach Kiwanis club meetings.

The people of Ocean Beach are proud to have the Reverend Paul with us for another year.

Water Authority Sets \$12 Acre-Foot On Colorado Water

Colorado river water delivered to member agencies will cost \$12 an acre-foot, this rate having been decided upon by the directors of the San Diego County Water Authority.

W. H. Jennings of La Mesa, a director and chairman of the Authority's Water Problems committee, advised fellow members that \$8 of the rate will go to the Metropolitan Water district, and the remaining \$4 will represent Authority revenue for delivery of the water. The latter figure, he said, is based on an estimated Authority operations and depreciation cost of \$120,000 annually for 30 years, while the annual cost of water turned over by the MWD is estimated at \$240,000.

J. L. Burkholder, the Authority's general manager and chief engineer, reported to the Board at its last meeting that construction of the San Jacinto-San Vicente Aqueduct was 87 percent completed on June 1. He said pre-cast pipe for the line is 96 percent manufactured; placing of pipe is 83 percent completed, and all tunnel excavation was finished May 31.

No major delays in construction are anticipated, he added, and expressed belief that water will start flowing through the aqueduct by the end of the year.

SAN DIEGO FIREMEN TO STAGE 8TH ANNUAL CIRCUS AND FIREWORKS

San Diego firemen, who will stage their 8th Annual circus and fireworks display in Balboa stadium July 3 and 4, at 8 p.m., promise all who plan to attend the spectacular event more than two hours of fine entertainment for every member of the family.

Firemen claim they have secured a great show for this year and because of the limited seating capacity of the stadium have scheduled two identical evening performances so that everyone desiring to do so will have the opportunity to see it.

As in the past, each performance will consist of an hour-long professional 4-ring circus performance combined with a spectacular 60-minute fireworks display.

More than 80 circus acts have been scheduled. And trapeze artists, clowns, acrobats, and aerialists will perform in the rings and on the hippodrome track in the stadium arena, in thrilling "big top" style. Headline circus attractions include "Romero the Great" on a 90 foot sway-pole and Joe Acari and his six performing lions.

The fireworks display following the circus performance will feature giant pin wheels, colored fire pots and fountains, patriotic displays, pyrotechnic novelties for children, and set pieces, all at ground level. A huge wall of molten fireworks will fall across the open end of the stadium. And the roman candles, shooting stars, and rockets of the aerial portion of the display are designed to burst in multi-colored splendor high in the air with a minimum of noise.

Community Church Closes Ten Years With Celebration

By MRS. E. G. COLBY

To celebrate the anniversary of its organization in June 27, 1937, the Point Loma Community church at Udal and Poinsettia will hold an old-fashioned ice cream social tonight (Friday) at 6:30. The lot owned by the organization, which adjoins the present building will be made gay with colored lights and other decorations.

W. E. Pugh heads the committee for the celebration, promising outdoor movies enjoyable to all. Fink's "Noisemakers," a group of young people of the church, will furnish music. Rev. S. Dean McBride, minister, will bring a short message in memory of the founding of the church, and will introduce the organizers and present officers.

With Mrs. Frank T. DeArman in charge, ice cream and home made cakes, coffee, and punch will be served at 6:30 by members of the Women's Guild.

The event, which will mark the conclusion of 10 successful years in the church's history, will include members, their families, and the many friends of the church. Reservations are unnecessary, and a large crowd is expected to join in the fun.

Mr. and Mrs. Stanley Schneider of 2336 Soto St. have a new grandson to brag about. His name is Emery Stephen II and his proud parents are Mr. and Mrs. E. L. Harbert. "Stevie" was born June 11 in Naval Hospital and is now becoming acquainted with his brothers Michael and Gary in their new home in Paradise Hills, National City.

To Whom It May Concern:

It is my sincere wish that this statement will deter any further misrepresentation of the true facts of the case.

I have voluntarily left the employ of Mr. Massey J. Horton (Kraft Drugs) for the purpose of investigating and perhaps accepting another business offer.

I would like to add that my past year at Kraft Drugs has been profitable, pleasant, and educational. I consider the personnel of this organization above the average and a group with whom it is a real pleasure to work.

Extension of Zone Variance Granted Pt. Loma Housing

Extension of a zone variance in behalf of the approximate 200 tenants now occupying the various buildings of the former well-known Theosophical Society property on the ridge of Point Loma peninsula has been granted by the City Planning Commission's zoning committee. The News was informed this week. The tenants noted are those renting from George W. Wood.

The extension of the variance is for a period of six months beginning July 1, the commission's committee announces, evidently was deemed necessary because of the continuing housing shortage in the Ocean Beach area.

To start with the zone variance has been granted during the war in order to allow multiple occupancy of these particular buildings, located as they are in an R-1 or single-family zone.

Further extension of the zone variance may be granted in order to allow Mr. Wood time to properly sub-divide and market the property for residential purposes, the commission's committee intimated.

FIRE STRICKEN FAMILY THANKS NEIGHBORS WHO CAME TO THEIR RELIEF

Mrs. Marian Couvillon and her daughter, Mrs. Louise McDonald, formerly of 4621 Voltaire, wish to extend their thanks and appreciation for the sympathy and material help of their friends and neighbors in Ocean Beach, who contributed much comfort and security in their time of trouble, she announces.

Mrs. Couvillon's home at the above address was stricken by fire May 31, routing the family from it and causing them loss and insecurity.

So many sympathetic citizens of the Beach immediately came forward with support to this family in trouble that Mrs. Couvillon finds it impossible to thank each one personally and individually. She has asked The News to tender her appreciation and heartfelt thanks to everyone.

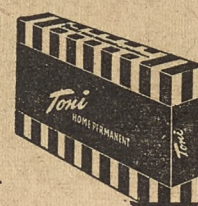

"People such as my neighbors and friends who rose to the occasion of our personal emergency make it all seem far less terrible," said Mrs. Couvillon.

Clarkes Celebrate 61 Years Married Harmony June 24

After 61 years of matrimonial harmony, John Clarke and his wife Minnie Clarke celebrated another wedding anniversary June 24. The couple seemed not to be aware that their ability to stay married for so long is anything out of the ordinary. They spent the day at their home, with Mrs. Clarke, 82, canning apricots, and her husband, also 82, caring for his chickens.

The Clarkes are Californians by adoption. Mrs. Clarke was born within a few days of President Lincoln's assassination, at Hastings, Minn. April 23, 1865. Her husband was born in July of the same year at Montreal, Canada.

Clarke, a railroad machinist and stationary engineer, came to California in 1910. His wife preceded him by a few years because he was traveling with the railroad in the course of his work.

Together they built their present Ocean Beach home at 4761 Niagara in 1914, but in 1917 Clarke joined the Navy and was a member of it until 1925.

Despite all this separation, the Clarkes raised a family of five boys and two girls, now all married. This bumper crop of young-

sters produced their own young-uns, which in turn are doing their share to keep the name of Clarke alive to the extent that Mr. and Mrs. John Clarke are now the grandparents of 10, and the great grandparents of nine.

The couple was married in Brainerd, Minn. June 24, 1886.

Amy Webster Weds W. E. Nelson Jr. At Her Home June 22

The former Amy Tingley Webster Sunday became the bride of William Edward Nelson Jr., son of Mr. and Mrs. William E. Nelson of 4661 Coronado.

The rites were performed in the patio of the bride's Point Loma home, with only the two immediate families and the wedding party present. Amy wore a simple white silk crepe dress of formal length and a white lace cap which is a family heirloom. She carried an armful of mixed garden flowers.

Instead of her father, the late Commander Frank F. Webster, she was given in marriage by her mother, Mrs. Frank F. Webster of Point Loma.

A family friend of long standing, Judge Lloyd E. Griffin, conducted the ceremony, and Elizabeth Bade, a friend of Miss Webster, was

maid of honor. The groom's best man was Donald Bowlius, who was a guest in the Nelson home for the weekend.

The patio was decorated as indeed was the entire house, with large baskets of white flowers, and the colorful outdoor scene made a gracious setting for the wedding breakfast which followed the nuptials.

After the wedding and breakfast, the couple set out on their honeymoon, which is planned to take them first to Carmel for a week, then to Yosemite for another week, and finally they will spend the remainder of the summer in Honolulu, Hawaii, returning in the fall.

The young Mrs. Nelson is a graduate of Point Loma high school and of Pomona College. For the past year she has been teaching kindergarten in San Diego.

Nelson also is a graduate of Point Loma high school and of Pomona, and plans to return to college in the fall for post-graduate work in philosophy.

During the war he served as lieutenant (jg) with the United States Navy, and saw action in the south Pacific.

The couple will probably reside in Claremont, although plans are as yet indefinite.

Anyway, we did learn that the wonderful sauce spooned over the toasting beef was from an old Navy recipe, and the chief spoon-master was a Navy enlisted pilot. There were "seconds" for everyone, and when we left the doings around four o'clock, the ice cream was still unserved.

Above everything else, a friendly spirit pervaded the huge gathering, where nobody was a stranger. When we departed, the fun was just beginning. The dance-minded were in the pavilion, stepping to the tunes of the nearby juke box. The races and various contests were still going strong, and the day was beautiful.

Preparations for the day were begun months ago, when those eligible for attendance were asked to reserve the time. Came the query, "How many can you take?", and passengers were chosen with consideration to proximity of the drivers. The whole affair was a miracle of organization, and everybody, including the writer, gives witness to a wonderful picnic.

including motor and sail boats, aircraft, hunting and fishing and a huge automotive show.

Enlarged exhibits in the livestock department number horses, beef and dairy cattle, swine, sheep and goats. Departments for poultry, pigeons, rabbits, bees and honey, culture, minerals and mining and floriculture also are included. The latter department features the flower show, one of the top attractions of last summer's fair and designed for twice the area this year.

The home show includes a complete "Home of Tomorrow," built on the fairgrounds, electrical appliances, furniture, building materials and architectural designs and plans.

A new feature this year is the "Enchanted Land"—a magic papier mache wonderland for children with pony and train rides, puppet show, movies, etc.

Entertainment attractions will hit a new high. A world's championship rodeo, luring top bronco busters from all over the West, will be held for the first three afternoons, beginning today.

Sixth annual Shrine Circus, featuring nation-wide big top stars, will be given for 12 performances, started yesterday. Second edition of the famed "Fiestacade," a glamorous stage spectacle, with Leo Carillo as master of ceremonies, is the nightly stage presentation in front of the grandstand. Its counterpart, the "Fiesta Matinee," will be held daily, beginning June 30.

For the equine lovers, the second annual San Diego county fair national horse show, is booked for eight performances, plus an all day children's horse show July 3.

Other attractions are a thrilling Air Show and a complete Army, Navy and Marine Corps exhibit; free July 4 fireworks; and daily events on the running track with harness and quarter horses and chariot racing.

Sporting events include a golf driving competition, bicycle race, model airplane meet, archery, softball, model yacht regatta—not to mention the first running of the Turkey Sweepstakes Sunday, June 29 at 3 p.m.

Local Artist Has Another Exhibit At La Jolla Gallery

John Carrol Hooper, 36-year-old artist of Ocean Beach, has added another exhibit to his growing reputation. His work, currently on exhibition at the La Jolla Library gallery, is reported to be representative of the colorful interpretation which western artists are wont to express.

Of the 46 paintings exhibited, 18 are landscapes of the tropical terrain of Mazatlan, Mexico, painted in January and February of this year, when Hooper toured the land south of the border in search of suitable subject matter. The others are local California scenery, such as the hills and trees of Point Loma, and several are bird studies.

Born and educated in Chicago, Hooper's first professional exhibition was held in that city in 1940. Since then he has exhibited every year, seldom duplicating his work from one exhibition to the next. He is already planning his exhibit for the forthcoming year, to be held probably at La Jolla.

The current showing may be seen between the hours of 1 p.m. and 9 p.m. at the La Jolla Library, according to the announcement.

Mayne Hill and family plan to depart tomorrow (Saturday) by automobile for Norfolk, Va., Washington, D.C. and other points east. The idea, according to Mr. Hill, is to drive route 80 stopping wherever whim decides.

NEWS IN BRIEF

Miss Alba Gill of Minneapolis, Minn., is currently visiting her aunt, Mrs. Aaron Ketterer of 2264 Soto St.

Inez Shaw of 2068 Sunset Cliffs last week treated her daughter, Mrs. Nathan C. Moseley who is visiting here from Texas, and the three Moseley children: Charles, 10, Diane 4, and Donna 2, to a picnic in Balboa Park on June 20.

Mrs. L. W. Knotts of Yates Center, Kan. arrived Tuesday at Los Angeles, where she was met by her son John Burdine of Ocean Beach. The Burdines will be host to Mrs. Knotts on this, her first visit to California. She plans to spend several weeks here.

Louis and "Mamie" Baldino of 4979 Newport last week entertained his brother Charles Baldino and Mr. and Mrs. Merl Williams, all of Lansing, Mich. The guests spent the week-end of June 13 with the Baldinos and enjoyed a barbecue in the patio of their home.

Capt. and Mrs. William D. Baker, he of Baker's Smile Shop, 4912 Newport Ave. have welcomed an addition to the family in the person of a six pound, one and a half ounce baby girl. The little Miss was born to the couple at Mercy Hospital, San Diego, June 23. The Bakers, already the parents of Dennis, three and a half, will probably name this newest Darlene Ruth.

Jimmy Neil 13, of Seattle, Wash. is currently visiting his friend Thad Woodland, 14, of 4561 Santa Monica. Jimmy is the son of Mrs. Robert Long, a former resident of Ocean Beach, and remembered here for her activity in the organization of the Junior Woman's club. The youngsters have planned an excursion south of the border, in addition to faithful attendance at the county fair.

The home of Mr. and Mrs. Casey Kaeshmar, 4770 Lotus, was the scene June 14 of a colorful patio birthday-graduation party held in the honor of Cora Hazel Montanye, who celebrated her 19th birthday and simultaneously was graduated from San Diego Vocational School. Miss Montanye is a sister of Mrs. Kaeshmar. The Kaeshmars had prepared a turkey barbecue for the 30 guests.

The many friends of Mr. and Mrs. Chester R. Jones of 5029 Lotus St. were sorry to learn that the Joneses are moving back to Boston, Mass., after making their home in Ocean Beach for the past year. They plan to leave on Monday, June 30, taking the train from Los Angeles. Mr. Jones was quoted as saying that she hated to leave the Beach, especially this time of the year but that she thought perhaps they might find it possible to return to the west coast again next year.

First prize for the best entry made in the salon went to Paul De Gaston of La Jolla. De Gaston's prize-winning shot was submitted in the pictorial section, taking down first prize in that division also.

Dr. Watson revealed that 222 prints were submitted in the Photo Salon by 59 different individuals. The winning entries are on display in the Jockey club at the fair grounds.

In connection with the Photo Salon display at the Fair there will be popular balloting by Fair visitors to determine their preferences as to the best pictures.

Five persons were killed in traffic accidents during the month of May in San Diego.

**Helen Dockery, And
Henry K. Doerr Wed
Sunday June 22nd**

Helen Verda Dockery and Henry K. Doerr were united in marriage June 22 at the Chapel of the Roses in Chula Vista, Rev. Leslie Hendren presiding.

The groom is the son of Mr. and Mrs. Henry W. Doerr of 1653 Froude. His bride is the daughter of Zella Dockery of Pacific Beach. She was given in marriage by her brother Leon Dockery and Ann Abernathy of Linda Vista was her maid of honor. Dressed in a white gabardine suit, Miss Dockery carried a white prayer book over which had been draped an orchid.

Best man was Melvin M. Doerr, brother of the groom. After the early evening ceremony, a reception was held at the H. W. Doerr home, where the bridegroom's mother, dressed in a soft rose gown with white accessories, served refreshments to the 75 guests, assisted by Mrs. Melvin Doerr, Mrs. Jack Bryant, Mrs. Harvey Muck Sr. and Mrs. Harvey Muck Jr.

The couple then set out for a wedding trip to northern California and possibly Oregon, after which they will return to San Diego. Young Doerr is employed in an engineering capacity by Consolidated Aircraft. They will make their home in Pacific Beach.

Doerr is a graduate of Point Loma high school, and the former Miss Dockery of La Jolla high school. Since her graduation, she has been employed as secretary in the offices of Consolidated.

**Local Church Scene
Of Wedding June 21
Of Former Resident**

Bethany Lutheran church was the candlelight scene of an early evening wedding, when Rev. Martin Lankow officiated at the marriage of Anna Melva Telle to Robert J. Dickinson at 7 o'clock, June 21.

Miss Telle was married in a mint green suit with pale pink accessories and wore a corsage of white orchids. She was attended by Mrs. Lee Wynn, matron of honor, and Lee Wynn was best man.

Mr. and Mrs. Albert S. Miller of 4484 Santa Monica, and uncle and aunt of the bride, acted in the behalf of her parents, Mr. and Mrs. Walter Telle of Kirkland, Mo., who were unable to make the trip west due to illness in the family.

Dickinson's parents, Mr. and Mrs. Donald Dickinson now residing in East San Diego, were until two years ago residents of Ocean Beach.

J. D. Douglas, La Jolla artist, is currently exhibiting his work in the Burdine store window here. Dealing with western landscapes this display is an attempt to "bring out the atmosphere and beauty of Western America," particularly of San Diego county, which the people who live here seldom seem to appreciate.

**BENNETTS TO LEAVE ON
EXTENSIVE TOUR OF WEST**

Col. and Mrs. Floyd Bennett of 4393 Santa Monica Ave. will leave Monday on an extensive vacation tour. They will spend the 4th in San Francisco before continuing up the coast to Seattle where the couple will be house guests of Capt. and Mrs. Ross Wilson, U.S.M.C.R. From Seattle the Bennetts plan a tour of British Columbia and Vancouver, the Canadian Rockies and Lake Louise.

En route south the tourists will spend time at Yellowstone Park before visiting in Denver with Mrs. Bennett's brother Fred W. Miller. Before returning to Ocean Beach about September 1, the Bennetts will tour the Ozarks with her sister and husband, Mr. and Mrs. K. C. Doddridge of Lawrence, Kan. The Bennett home will be occupied during their absence by Mr. and Mrs. Max Becker of Chicago.

**Dorothy Van Hecke
Becomes Bride Of
Sgt. H. C. Hoyland**

The former Dorothy Ann Van Hecke became Mrs. H. C. Hoyland June 21 when she was married to Sgt. H. C. Hoyland of Newcastle, Penn. The daughter of Edward Van Hecke of 5064 Long Branch, she took her vows dressed in a powder blue suit and carrying white calla lilies, at five o'clock in the afternoon in the First Presbyterian church, San Diego.

Given in marriage by her father, her only other attendants were Mrs. Robert Braack of 4745 Brighton, her matron of honor, and Miss Dorothy Vernon of Point Loma, bridesmaid.

Sgt. Ralph C. Alexander of Uniontown, Penn. was best man, and music for the ceremony was provided by Mrs. Kennedy, church organist.

A reception was held following the ceremony in the bride's home, and her uncle and aunt, Mr. and Mrs. L. Krumholtz, were present from Los Angeles.

Dorothy was graduated from Point Loma high school June 19, and her husband is a graduate of Newcastle high school in Newcastle, Penn.

**16TH ANNUAL BIRTHDAY
PARTY GIVEN FOR MRS.
MARY A. JOHNSTON, 78**

Every year now for 16 years, Mrs. Mary A. Johnston's birthday has been celebrated by inviting in members of the Ocean Beach Eastern Star chapter. She will be 78 today (Friday). The O.E.S. party, however, was held Thursday at the Johnston home, 1945 Venice St., with 35 guests at the baked ham noon luncheon. Mrs. Johnston's daughter, Mrs. Vera Hausen, who makes her home there, was the hostess and was assisted by Mrs. Hazel Northrop and Mrs. Ara Toon. Shasta daisies featured the floral decorations.

And today (Friday) a second group, consisting of the members of Synergian circle of the W.S.C. S. of Point Loma Methodist church, 22 in all, are to be guests at the Johnston home, at an old-fashioned luncheon in celebration of Mrs. Johnston's birthday. Mrs. Hausen, who will be assisted by Mrs. Gertrude Mellow, reports that the party will be old-fashioned in almost every detail, both as to the luncheon, the decorations and the social hour following. Included will be red geraniums for decoration, a grandmother's Paisley shawl on the mantel and a 99-year-old coverlet as features of the display of family antiques and heirlooms.

**Cub Pack Picnics
In Park; Promotions
Highlight Meeting**

A complete menagerie of nine to eleven year old bobcats, bears, lions and wolves (definitely the junior league) were turned loose Saturday in Presidio Park. They caused no damage, but there was a good deal of excitement for awhile. Sounds as if the Zoo had been tampered with, but actually these young animals were harmless youngsters, members of Ocean Beach Cub Pack 28, who chose the occasion to hold their monthly meeting in joint enjoyment of a picnic.

Several of the boys this month made the first step up from Bobcat to Wolf rank. They were William Kellogg, Dennis Mallory, and John Phelps, who received their initial Wolf badges, Robert Lindsey and Harry Folkenthal who added silver arrows to theirs, and Jack Fabbri who added a gold arrow to his.

Wolves promoted to Bear rank were Ronald Grobecker, who received his Bear badge, William Phelps who received a Bear badge already decorated with both gold and silver arrows, and Arthur Sherwood, who added a gold arrow to his badge.

In the Lion rank a Lion badge was given to John Johnson, and a Lion badge, Webelos badge and graduation certificate to Richard Hebert.

Den Chief Wilbur Smith was given the insignia of his office, the den chief's shoulder cord and warrant, and Denner Jeremy Lustig his Denner stripes. William Phelps, Mickey Black and Billy White received their assistant-denner stripes.

The business affairs efficiently attended to, the Cubs turned their young minds to the foot races wherein the ranks ran separately. In the Wolf rank, Harry Folkenthal took first place, Arthur Pogrell, second. For the Bears, Dick Bouley took first and Art Sherwood second. Dick Hebert won first in the Lions race, with Norris Shears in second place.

A ball-throw contest was staged for the Cubs' mothers, and Mrs. Yates won it. She was followed by Mrs. Love in second place.

Leapfrog was next, dad-and-son teams competing. Mr. Grobecker and Ronald finished first, and Mr. Bouley and Dickie second.

Harry Folkenthal took first in the sack races, Wolf rank, and Arthur Pogrell second. Dick Bouley placed first for the Bears with Frank Pearie second. In the Lions' race, Dick Hebert won first and Johnny Johnson second.

Mothers and sons then ran a spoon race, in which Mrs. Brady and Gail won first and Mrs. Johnson and Jimmy second.

**HOTEL IMPROVEMENTS
ATTRACT ATTENTION**

Residents of Ocean Beach will be pleased to learn that Mrs. Jeanette C. Hendrickson, owner of the Newport Hotel, has demonstrated her civic consciousness with a series of improvements in her property. The first step toward this rejuvenation was the thorough paint job the building received in March of this year. As time would permit, two brick walls, to completely encircle the back yard, were built, and the ground from these walls to the sidewalks was planted in becoming flowers. Next, additional paving all the way to the curb was laid. The effect is one of dignity and well groomed neatness.
